

We understand sports medicine

Eric Smith, M.D.

“As part of the NOIA team and as an individual active in sports, NOIA’s MRI diagnosing abilities greatly contribute to understanding sports injuries. The physicians and their patients benefit from our specialized experience.”

EDUCATION

M.D.
Dartmouth Medical School
Hanover, NH
1997

B.A.
Human Biology
Exercise Physiology
Stanford University
Stanford, CA
1991

Fellowship
National Orthopedic Imaging Associates
Greenbrae, CA
2002-2003

Residency
Department of Radiology
University of California San Diego
San Diego, CA
1998-2002

Internship
Presbyterian St. Lukes Hospital
Denver, CO
1997-1998

EXPERIENCE

Dr. Eric Smith completed his Fellowship in musculoskeletal imaging with NOIA in 2003 after a radiology residency at the University of California San Diego. He joined NOIA specializing in the MRI diagnosis of peripheral joints and sports medicine injuries. He now serves as the Co-Director of the NOIA Fellowship Program.
